Security Activity Report

ITEM F.2

Report on Community Speed Control

Speed Cushions

The District has not yet received formal approval from OCFA on the permit revision to add 4 more sets of speed cushions. This approval however, is expected any day.

Once again, the locations selected for these additional speed cushions are:

- 35147
- 35261
- 35665
- 35765

Monthly Speed Violations

Each month the report will add another month of data into the analysis with an ongoing evaluation of how many vehicles are entering the community for each violation recorded. The greater the number of vehicles that drive the road before a violation is recorded indicates that less drivers are speeding. *This data is collected only from the daily radar readings taken by Securitas patrol officers. Police officer speed data is not included in this report.*

PRIOR YEAR DATA

June-Aug 07	110 violations recorded	53,287 vehicles
Sept 2007	<u>60 violations</u>	<u>14,527 vehicles</u>
	170 violations	67,814 vehicles

67,814 divided by 170 = **1 speed violation for every 399 vehicles**

CURRENT YEAR DATA

June-Aug 08	119 violations recorded	63,027 vehicles
Sept 2008	<u>45 violations</u>	<u>15,685 vehicles</u>
