- Location of District Office

February 14, 2011

Hi Don, Unfortunately only 3 of us were at our meeting, we did discuss the dolphin and all agreed that to spend such a large sum of money was not a wise use of funds. However making it more prominent some how, possibly not even moving it just highlighting it more, not with lights, but a background of some kind. Lots of ideas kicked around. I'm encouraging them all to go to the District Meeting. Regarding the placement of the Office Bldg., we really didn't know what was going on or why, but all agreed having it and you on the road was the best way to go. We are willing to put some money towards the Dolphin once we know what is being planned, and if we feel it is a wise use of funds.

Blessings,  
Carole
