CAPISTRANO BAY DISTRICT
AGENDA REPORT
May 31, 2011

New Business

ITEM L.1

Competitive Quote for District Liability Insurance

Director Schwartz had requested an alternate quote for providing general liability insurance for the District to make a comparison between commercial insurance and our current liability program.

Staff has been working with an agent for LaBarre Oksnee Insurance Company over the past two weeks providing information to enable them to get a quote for the District.

A completed proposal will not be ready until sometime late next week but staff wanted to report that progress is moving along and should be done soon.
