

# Manager's Priority list

ITEM J.1

12/12/2011

Meeting #576

#	ITEM DESCRIPTION	PROGRESS/COMMENTS
1		
2		
3	continue with ongoing block wall repairs	no further work since wall at 341 was fixed in October
4	get bids for community-wide CCTV system for security	this was discussed with a CCTV contractor - due to the complexity, a bid might be ready in January
5	Continue monitoring progress by county on Poche water quality control program	
6	"NOT AN EXIT" sign to go on the back of the YIELD sign	Done as of 12/9
7	research expense to equip patrol vehicle with audio-video camera	rolling this in with item #8
8	research a video camera for recording vehicles leaving the community	a proposal for will be ready in January
9	design a "community notice" sign stand for posting agendas, etc	not designed yet
10		
11	conduct accent lighting voltage survey	This was done and there have been no additional problems.
12		
13		
14		
15	proposals for permit process for storm drain #2	submitted to the Board at the December meeting
16	proposals for pavement sealcoating and repairs	Proposals will be ready for Board review in January
