7. Description of Incident / Injury (WHO, WHAT, WHERE, WHEN, and HOW. Include all information in detail and attach statement if required.)  
On Saturday 4/21/12 at approximately 8:30 AM, a plain white Van pulled up to the visitor's side of the gatehouse. Driver identified himself as Don, but had no business identification. Did not know the name of individual who called him in, or the address. So I refused him entrance, and sent him to the beach public parking. Later, at approximately 10:10 AM, Kurt Breeding approached the Gatehouse and became very aggressive and obnoxious and fairly accused me of knowingly refusing to let Don in, and pretty much just yelled and vented, but I attempted to deal with him rationally, but to no avail.

**\*\*Mgr's Note:** Michael Simes has been removed from our Post. Not specifically for this incident but for a run of similar issues over a period of a few months where he demonstrated a lack of a "helpful" attitude with other guests and homeowners. This is in no way condoning Mr. Breeding's behavior with our security staff but I believe there is some truth to his sense that the gate officer was not as helpful as he could have been.
