#185(L) guest by the name "Tom Hutton" approached me regarding someone had stolen items within his vehicle. Incident occurred roughly 8:10-8:13pm. Hutton stated he parked his vehicle in drive way with convertible roof open. Stating what had been stolen was (2) satchel bags, one black and other brown. Both containing personal identification information and identification of vehicle. He further stated it was a woman that visually looked 60-70 years of age, standing about 5'4 feet tall. Suspect weighing about 170lbs and having silver hair and long pony tail. Wearing a blue and white floral dress and dark skirt. Hutton explained visually was difficult since it was dark outside at the time. He also pointed out she was a caucasian descent woman. #185(L) renters came down since Hutton was yelling for their help while I drove down beach road hoping to find the suspects. Once I came back to the scene "Miles Byington" and "Linda Martinez" #185(L) renters stated Hutton made the story up and for the most part "lying". Stating they never saw such a woman pass their house and that in their 3 years they had been renting they never had a situation like this. "Quitting." I always leave doors unlocked from my vehicle, and nothing ever happens." Also stating "Hutton was a little up in age and was making the story up". After gathering all the information I needed I instructed Hutton to write police report until further notice.
