Respected Neighbors of Capistrano Bay Board of Directors,

On behalf of the community of Capistrano Shores, its Board Members and owners, thank you for your recent letter and significant donation to Pacific Legal Foundation supporting the Wills family and efforts to protect our collective property rights along the coast.

Coastal property owners of South Orange County paired with Pacific Legal Foundation will succeed in preserving our constitutional rights if we work together as a team. We appreciate your initiative to contribute financially to this movement.

With sincere appreciation,

Eric Anderson
