

Meeting #626

CAPISTRANO BAY DISTRICT
AGENDA REPORT
October 25, 2016

Shoreline Committee

ITEM 7a

Shoreline Committee Progress Report

A report on progress and direction of the committee was expected for this meeting however there has been no report submitted or communicated as of Friday 10/21.

The attorney for the committee had sent an email request for a phone meeting this week but then never made the phone call. It was learned on Friday that he was called out of town and won't be available until November 1st.

There may be a verbal report provided at the meeting but as of the Friday report deadline there has been no reply to the District's inquiry.
