7. Description of Incident / Injury (WHO, WHAT, WHERE, WHEN, and HOW. Include all information in detail and attach statement if required.)

At 21:54 I had a uber car come for a pick up. He did not know the address where he was going. He attempted to call the customer and a short time later a silver sinag a listed guest for 80S called for the uber car to come in. I asked him for the passcode and he did not know the passcode. I explained to him that I needed the passcode to confirm access for the uber car. Again he did not know the passcode and he was just going to walk out. The uber car did leave shortly after that without anyone. Licence plate: 7BZY288. At 22:21 a Brook sinag the wife of Silver sinag called from 80S. She was not listed as a guest. She tried calling in another uber car to come in. I explained that silver sinag already tried calling in the uber car and he did not know the passcode. she says "we don't know the passcode. we are just staying here." I explained we need the passcode to confirm access for the uber car to come." I asked if you guys can back with the passcode so we can give access for the uber driver. She said "we have drunk people here needs picking up." She then hung the phone up on me. At 23:03 a Christian Peterson called and was trying to let in a limo service into the gate. He also was listed as a guest for 80S but he did know the passcode either. I explained to him that I needed the passcode to confirm access for limo driver to come in. At this time the limo service showed up. Then Mr. Peterson started arguing with me about

(continued from page 1) letting the limo service because they have 15 guest who have been drinking. Again I explained to him that we needed the passcode to confirm access for limo service to come in. He started getting loud and wanted to argue with me some more. I told him "I was not going to argue with about this, please call me back when you have the passcode." He said "you guys let in 4 of my guests in earlier and no passcode was asked for, I can have you fired for that!" I explained that I did not come on duty till 22:00/10pm. evening. I ended the conversation there. At 23:15 a Sheriff's Squad car pulled up the gate. They were called by 805. I spoke to deputy Murray and he asked me out our gate access procedures here. I explained to the sheriffs our gate access procedures. He called 805 and again explained our gate access procedures, the left property shortly after. I did notifie patrol that they were here for 805. I had no further issues with 805.
