Shoreline Committee

ITEM 7a

Shoreline Protection Progress Report

At the January meeting, the Board took action to approve a not-to-exceed figure of \$21,500 for Phase 1: 45 to 60 days of research by the Shoreline Protection Committee to explore the District's options regarding shoreline protection for the community.

The Committee has established a research team headed by the law firm of Galuppo & Blake, who are bringing together legal professionals experienced in coastal environmental and entitlement procedures and in dealing with the Coastal Commission.

At tonight's board meeting, Mr. Lou Galuppo will present an oral report on his team's progress during this first month of effort. Accompanying Lou will be homeowner and Committee member Jon Becker to assist in the discussion.

At this time there is no prepared written material from Galuppo & Blake, at least until their Phase 1 work is completed.

The Shoreline Protection Committee is made up of the following homeowners and individuals:

- Jon Becker (homeowner)
- Jim Sorenson (homeowner)
- Allen Othman (homeowner)
- Chris Brown (representing homeowner Murad Siam)
- Don Russell (District Manager)
- Ambrose Mastro (District Board representative and homeowner)
- Carter Clark (District Board representative and homeowner)
- Lou Galuppo (Attorney with a 4-member team of legal consultants)
