Went to his backyard didn't see the guy. Continued patrolling & on way back he comes out from the side of #671 house. Male Hispanic dark skin 5'8 slender around 150lbs wearing blue jeans a grey shirt with a blue & grey hoodie. I greeted the guy asking if he was new to the neighborhood, he replied back that he wasn't & was just passing by. I told him it was a private community & it is restricted to the public. He then said that his family was staying at the 2nd house to the end. He wouldn't give his name & continued walking. I followed from a distance & he became more aggressive. He was yelling & cursing telling me to back off. I advised if he continued with aggression would call the police & have escorted. He then took off running southbound towards the end of the road. I gave him even more of a distance but continued to monitor where he went. He gets to #857 then turns onto the side of their house & jumps into the creek.
