CAPISTRANO BAY DISTRICT
AGENDA REPORT
October 31, 2017

Quality of Life – Landscape Committee

ITEM 11b

Landscape Review Committee Recommendations

The Committee met onsite last Friday 10/20 and conducted a thorough inspection of all landscaped areas. A lengthy set of recommendations has been worked out and presented to the District's landscape maintenance contractor, Western Landscape Service Inc., for evaluation of both survivability of the plant varieties recommended and to work up a cost estimate.

The cost estimate will not be prepared in time for the Board to make any decision on for this meeting but should be ready by end of the week and will be sent to the Directors for comment and approval.
