ITEM 6b

Replacement of District Police with Additional Securitas Patrol Officers

The Board of Directors took action during the Budget Workshop on June 18th to eliminate the two part-time District Police Officer positions and to replace the positions with additional Securitas Patrol officers. The officers have been laid off officially as of July 17th.

The Directors feel a more effective control on speeders can be achieved by using the budget funds otherwise intended for the two part-time Police officers to pay for additional full-time security officers to double-up on roadway patrol to intervene with speeders.

Some elements of this matter will be discussed during closed session with a verbal follow-up provided during the open meeting.
