JULY - 2018

REPORT DATE	TIME	CLASSIFICATION	INCIDENT LOCATION	PERSON(S) NOTIFIED	POLICE	COMMENTS
7/03/18	17:53	Possible Theft Complaint	311	Patrol	N	At the above date and time, i got a request from 311 Resident, yamakawa, asked me to submit a report and take pictures of the back side of his home (beach side). he said a few weeks back their sand was complete and full and the house next door , 315 , did not have much sand at all. he has a concern that maybe someone pulled sand from his beach side to the home next door because he's missing alot of sand now !!! I did tell him that this report is only for Securitas and our client Don. i did explain that maybe he should file a complaint with the police
7/08/18	12:37	Parking Violation	155	Patrol	N	At the above date and time i came to check on a vehicle that was parked at 147. that the residents said had been parked there for a day . she said they left a note on the car letting them know it is a private parking spot for their home . and it was never moved . so i found a gold toyota Camry with LP #ABUL and transponder # 6650. when I called crystal she looked up the liscence plate and the information that came up was for a total different car . it was an infinity make . crystal called 155 and they said they would move the vehicle . and also explained that it was their grandma's vehicle and she got a new car , and transferred her plate to this new car .i will have crystal call 147 and let them know that 155 has been informed and they said they would move it asap .
7/16/18	16:57	Loose Dog	167	Gate / Patrol	N	Gate called me to let me know there was a phone call made to let us know that there was a loose dog running around by himself at the beach . it was tucker from.167. i took him home
7/18/18	8:28	Parking Violation	335	Patrol	N	parking violation at construction site next to 335. Grey Ford F-250 LP# 39033E1. Vehicle was reparked.
7/22/18	10:14	Flood / Water Issues	221	Patrol	N	at the above date and time , i came down to 221 . the people renting the home wanted to show me that the pipe to the water hose was leaking . i told them all i could do is submit an incident report but that we don't hands on fix it . I recommended they call seabreeze and he did . he had the phone on speaker and i heard the seabreeze agent tell him they would send someone out immediately
7/22/18	10:41	Noise Complaint	621 / 625	Patrol	N	At the above date and time i got a call from Gate saying that mrs lurner had called and said that a loud noise was coming from 625. i came out and spoke to the people inside the home . it was seabreeze employees . they said they didn't make any loud noise . the only thing they remember making noise was a cellphone that went off. i didn't see anything but them cleaning the house and the t.v. was on at a very low volume . i didn't see anything that could have caused a loud noise . so i told them thanks and walked out .
7/23/18	18:05	Safety	271	Gate / Patrol	N	at the above date and time i received a phone call from Gate , letting me know that Mr Shwartz (President of the board) called her to advise her about kids playing outside by his side of the beach on a ledge . and was concerned for their safety because the tide is getting higher and higher . he gave me access through his side gate . i was able to talk to the kids , i explained to them that they were not in trouble , only that someone had called concerned about their safety because of the high tide . they understood and went back to their corresponding adress
7/25/18	20:30	Safety	0 / 167	Patrol	N	At the above date and time , while performing my duties , Mary Bos (Giacabetti) was zooming in the middle of the street with all her daughter's (6 girls) all under age with no helmets . she had tucker , her dog pulling her in the middle of the road , on her bike , full speed . and when I told her about the helmets , she just laughed and they all kept riding their bikes and completely ignored me . this is not the first time .
7/31/18	16:05	Safety	0 / 167	Patrol	N	At the above date and time , the girls from 167 , came out in the middle of the road on bicycles with no helmets on. I tried to inform them they needed helmets but they would not listen. I took pictures of the girls riding away.
