Re: **No Paid Workers' Compensation Claims in 2017-18**

ITEM NO. 12

Dear Mr. Masto:

This letter is to formally acknowledge the dedicated efforts of the Capistrano Bay Community Services District's Governing Body, management and staff towards proactive loss prevention and workplace safety. Your agency's efforts have resulted in no "paid" workers' compensation claims for program year 2017-18. A "paid" claim for the purposes of this recognition represents the first payment on an open claim during the prior program year. This is a great accomplishment!

It is through the efforts of members such as Capistrano Bay Community Services District that SDRMA has been able to continue providing affordable workers' compensation coverage to over 442 public agencies throughout California. In fact, 281 members or 64% in the workers' compensation program had no "paid" claims in program year 2017-18.

In addition to this annual recognition, members with no "paid" claims during 2017-18 earned 2 credit incentive points (CIPs) thereby reducing their annual contribution amount. Also, members without claims receive a lower "experience modification factor" (EMOD) which also reduces their annual contribution amount.

As SDRMA is dedicated to serving its members and preventing claims, we would appreciate your agency taking a moment and sharing with us what made your District successful in preventing work related injuries. Our goal is to incorporate your successful ideas and suggestions into our loss prevention programs to benefit all members of SDRMA. Please forward any ideas or suggestions to Dennis Timoney, SDRMA Chief Risk Officer at dtimoney@sdrma.org.

On behalf of the SDRMA Board of Directors and staff, it is my privilege to congratulate the Governing Body, management and staff for their commitment to proactive loss prevention and safety in the workplace.

Sincerely,
Special District Risk Management Authority

Jean Bracy, President

Board of Directors
