Incident Summary Report

March 2019

REPORT DATE	TIME	CLASSIFICATION	INCIDENT LOCATION	PERSON(S) NOTIFIED	POLICE	COMMENTS
3/08/19	23:37	DISORDERLY CONDUCT	587 / 621	PATROL / PC / DM	N	I was on patrol and it had just started to rain. the roads were wet and slick at location 587. there was a big truck parked outside the painted lines making the road very narrow. a car came from the opposite direction and,was by approaching at a very high speed. as it drove by i had my window down a bit and told him to slow down which In return the driver told me to go and f..k myself. i turned around to follow the car to ask them to slow down. it turned out to be the Lurners at 621 as i pulled up he, was out of the car moving aggressively towards me i got out of vehicle with the truck door separating us. Mr. Lurner then aggressively was telling me to f.,k myself and then aggressively put his hand and finger into my face .making me fear that I was,in danger of bodily harm. he was very loud and aggressive towards me telling me that i don't know who I'm messing with and he would have my job.
						then he wanted to know how fast he was going, which I told him it was for sure more than the posted 15 miles per hour posted speed limit. he did not like my answer and was getting very loud with me. I noticed he had his other hand in a clenched fist which made me fear of physical contact he kept yelling and,swearing at me the whole time threatening me with my job his finger pointing was with a few inches of my face i stayed as calm as possible and kept my voice normal as he threatened me repeately his wife exited the car,and stood off to the side silent he used the f word at least 10 times as he yelled. i told him to do what he needed to do we were so close i believed i smelled alcohol on his breath he was,super loud and,aggressive towards me and continued to threaten me he then got back into his car and ,pulled into his garage i immediately called my post commander to inform him of what just happened
3/10/19	9:08	TRESSPASS	71	PATROL	N	3/10/19@0908am. I was going down the road doing my patrols and I saw a homeless riding a green bike jumping and going all over the road so I asked him to leave the property. he told me to fuck off and he started getting aggressive and started walking towards me telling me that he would f...k me up if I didn't go away. and I asked him again to leave the property and to not get close to me. i told him to just leave the property and he said he was coming back. so I'll be on the look out in case he comes back.
3/14/19	15:47	TRESSPASS	0	DM / PATROL	Y	At approximately 347pm, I got a call from Don about a homeless man walking south in the community by the 200s. I drove there and found the man and confirmed he was homeless and told him that he needed to exit the community immediately. He refused and I called the sheriff's department. When I was trying to reach a live person on the sheriff's department number, the man agreed to be escorted out of the community. I had him sit in the tailgate and I drove out of the community and to the intersection and let him out. Don told me to make sure he was heading north and away from the community and so I drove on PCH and made sure he was going north and he was long gone.. The man was Caucasian with Sandy long brown hair and a brown goatee/beard. He had a blue jacket on with a white and black plaid jacket underneath. He was wearing black/grey shoes with dark blue jeans.
3/18/19	15:29	PARKNG VIOLATION	125	PATROL	N	There's a white yukenxl parked on the 125 empty lott and that truck belong to 127 i called gate office to call resident of 127 and let them know that there car can't be parked in this location nobody answer the phone so I went and talked to the resident of 127 and Miller said that it doesn't belong to here or to any of her services. so I gave a warning citation.
3/17/19	10:00	ILLEGAL FIRE PIT	295	PC	N	0930 As I was escorting a homeless man walking down the beach I noticed two fire pits behind 35295. one is made using propain which is okay. the second fire pit is beach rocks formed in a circle on the sand with burnt wood in the center. the fire ordnance No. 06-203 states that wood burning fire pits need to be in a man made structure at least 30 feet from any buildings including the houses to the left and right. Notified Don Russell and Karen Morris.
3/17/19	9:30	TRESSPASS	325	PC	N	As I was doing my beach checks I found an individual who had made himself a chair in the sand behind 325. he did no look like a resident so I approached him to ask some questions. The man got up quickly and started to walk away from me down the beach. I followed for as long as i could then returned to the road to retrieve my vehicle. i drove down the roade to the first empty lot and continued to monitor the man until he left the property completly.

3/25/19	14:36	TRESSPASS	571	PATROL / GATE	N	I got a call from gate officer that there's was a homeless person down the road with a big backpack and a hat and wearing shorts. I went down the road looking for him. i found him walking down the road by 571 and asked him what address he lives or is staying at. he said that he didn't live here on this road, so I asked him to leave the property. i told him that it's a private road and that he can't be in here. he started walking to the exit of the property. i followed him to the exit.
3/17/19	11:30	VEHICLE LEFT OPEN	221	GATE	N	At approximately 1130am, the renter guest at 35221 by the name of Nicole Besio informed me that she wanted to report that last night her rental vehicle got broken into and someone had smoked cigarettes in it. She had told me that she had left the vehicle unlocked because she assumed that since we're in a gated community that it'd be safe to do so. She asked for no follow up or police to be called.
3/21/19	10:04	EMERGENCY SERV CALLED	321	GATE / PATROL	Y	OCSD PATROL VEHICLE ARRIVED 10:04AM AND INFORMED ME THAT THEY RECIEVED A CALL REGARDING 321. 10:07AM FIRE ARRIVED AND GATES OPENED. PARAMEDICS ARRIVED 10:09AM ALONG WITH ANOTHER PATROL CAR. 10:12AM ANOTHER PATROL CAME IN. 10:16AM PARAMEDICS LEFT. 10:20 ALL OTHER VEHICLES LEFT.
