

Meeting #670

CAPISTRANO BAY DISTRICT
AGENDA REPORT
February 23, 2021

Security

ITEM 6a

Monthly Security Report

The usual written report will not be available for this month. Our Security Supervisor, Robert Stabenow, has been out with an illness during the week that we typically assemble the report.

If Robert is well enough to return to work on Monday, we may be able to get the report prepared in time for circulation ahead of the meeting on Tuesday morning.
