Board of Directors

ITEM 7

Directors' Terms Expiring/New Candidates Filed

The District Board will be losing Directors Steve Schwartz and Steve Muller at the end of this year as their four-year terms are expiring. Volunteering to fill these two vacancies are the following three Beach Road property owners:

- Will Wiersig 35411 Beach Road
- Yuri Cramer 35165 Beach Road
- Brad Jenkins 35395 Beach Road

All three candidates meet the **voter registration requirement* and the OC Registrar of Voters filing deadline of Friday, August 7th at 5:00 PM.

The candidates' names will appear on your November 3rd General Election Ballot IF you are registered to vote here on Beach Road. If you are registered elsewhere, you will not see these names on your ballot and will not be able to participate in the election of these candidates. In a way it might seem unfair, but election law prohibits an individual from being registered to vote in multiple locations.

The District will soon be mailing out an informational flyer so you can learn about the candidates. Unlike the last board election where a community meeting was organized to actually meet the candidates in person and ask questions, this time around it's going to be isolated to the information mailer and email messaging. The virtual ZOOM meetings work great but not everyone in our community is familiar and/or comfortable with participating in communicating through a computer screen or smart phone. District staff will welcome any suggestions for how we might be able to conduct a Q & A session.

**To be eligible for public office as a board member, the individual must be registered to vote in the District in which the duties of the office are to be exercised (Govt. Code Section 24001)*
