

Meeting #664

CAPISTRANO BAY DISTRICT
AGENDA REPORT
July 28, 2020

Old Business/ New Business

ITEM 9a

UNDERGROUND UTILITIES
Discussion/Review of Draft Informational Mailer

The proposed informational mailer for homeowners has been drafted and is currently being reviewed by the Board for revisions and approval before it can be circulated to the community.

ITEM 10a

Coastal Commission and Unpermitted Shoreline Armoring

The Coastal Commission and the City both requested a meeting with the District back in February to open a dialogue regarding the unpermitted shoreline armoring. That meeting got cancelled and rescheduled for mid-March, which got cancelled due to the pandemic. Since then, and as of Friday July 24th, the District has not been able to get a meeting scheduled.

The Board is currently considering the possibility of hiring a consulting firm to help guide the District through an entitlement process for a Coastal Development Permit for shoreline protection. The intent is to advocate/negotiate for a uniform type of protective structure for the entire beachfront.

ITEM 11a

CBRA Summer Party

With the sudden and unfortunate passing of Wayne Schafer and with the uncertainty due to COVID19, the annual summer party has been cancelled, with no future date set.
