Miller CDP Application Status

The consultants for the Miller project are meeting with CCC staff on June 29<sup>th</sup>. Attendees for this meeting representing Miller are:

- Steve Kaufmann      Counsel
- April Winecki        Entitlement
- Dave Skelly          Coastal Engineer

And for the Coastal Commission staff:

- Jeff Palm             Analyst
- Amber Dobson        Supervisor
- Justin Wynne         Staff Counsel
- Jeremy Smith         Coastal Engineer
- Allison DiGregorio   Coastal Engineer

With the meeting scheduled for Monday, there will be a verbal report at the Board meeting on the outcome. The purpose for our team is to learn what issues are problematic and to get an idea of what conditions CCC staff is intending to burden the application with and possibly negotiate some of those conditions off the table.
